**Raising the bar in professional practice means:**

**I came today expecting to think more about:**

**What steps of an AV session are a strength for me?**

**What steps of an AV session are a challenge for me?**

**As I reflect on the model of the essential steps of an AV session, the step I would like to learn more about and improve in my practice is/are:**

**1.**

**2.**

**3.**

**What do I need?**

**What will I do?**
