## RUN FOR SOUND

### Sponsorship Information

**EVENT DATES: OCT 3 - OCT 17, 2022**

The Run for Sound is by far the biggest annual gathering of our community. In the past, we've had more than 700 attendees and raised over \$100,000 for children with hearing loss.

We publicize this event to our widest audience, including 5,000+ email subscribers, as well as the broader Indianapolis community through targeted advertising. This year, the Run for Sound will reach an even larger audience as a **virtual event** that includes walking and cycling, and is not limited by geographic location.

Please support the Hear Indiana community via our biggest event of the year. You won't regret taking part in our 19th annual virtual Run for Sound!
