

Back to School Checklist: High School

- find* your child's TOD and/or TOR and save their contact info
- contact* teachers and have your child introduce themselves
- meet* with your child's teacher to discuss hearing loss
- review* accommodations from last year & their effectiveness
- listen* to the device(s) to ensure they are working properly
- share* troubleshooting tips and fixes with your child
- create* a way to share strengths/weaknesses with the teacher
- sign* paperwork to allow the audiologist(s) & TOD(s) to share info
- send* copy of the most recent hearing test to staff
- practice* self-advocacy skills with your child
- encourage* child to complete these tasks independently
- discuss* your child's hearing loss with coaches or club leaders
- identify* what everyone needs to make this successful
- organize* extra batteries/chargers for after school activities
- find* a safe spot for the FM/DM system to rest when not in use
- ask* any questions you may have! Everyone has the same goal:
for your child to be successful. No question is too small!
